

“PLAY IT iSMART”

A creative, informative Night of Fun!

Tuesday - February 28th, 2012
7:00 p.m. @ Linton Board Room

Penn Hills PAGE is proud to present an open meeting hosting speaker, Dan Rosenberg - via live teleconference - to discuss “Technology in the Classroom.” Mr. Rosenberg is an experienced educator and PAGE supporter with ties to the educational experience in the Pittsburgh area. He will address some of the opportunities and challenges presented by the proliferation of technology.

Make technology work for your child's educational needs!
Learn some more about its far-reaching effects!
Explore your child's iEd opportunities!

Refreshments will be served & creative boardgames and activities will be run during the discussion to occupy children accompanying their parents.

If you have questions, please feel free to contact
